Homework Questions

Bring this with you to small group this week.

1. Proverbs has much to say about humility. Consider a few of the verses below. What do we learn about humility? What does humility look like in action? What are some of the direct commands given to us in these verses?

• Proverbs 10:8

• Proverbs 11:2

• Proverbs 15:33

• Proverbs 16:19

• Proverbs 22

• Proverbs 27:2

2. The opposite of humility isn't just pride. The opposite of humility includes elevating our ideas, wants, and desires above our responsibility to rightly represent God. Read **Matthew 16:24-25**. What is the command in this passage? What is the promise?

3. In what way did Moses in **Numbers 20:7-12** put his ideas and wants above representing God?

4. Representing God is a tall order that has a very simple application. In fact, it can be summed up in one word: obedience. Read **Psalms 119:1-16**. What specifically does this passage tell us to do regarding seeking a life of obedience and one that represents God?
