

Road Trip - Book of Numbers Part 8

Mr. Ed Numbers 22-24

Pastor Miles McPherson – September 16-17, 2006

Memory Verse - Numbers 22:38

When temptation calls, God will usually send someone or something to warn and encourage us to look and see Jesus' direction in it. Will you be that someone?

1. As a faithful donkey, you will _____ the unseen warnings. Numbers 22:20-23

2. As a faithful donkey, you will take _____ that is not being taken. Numbers 22:23-27

3. As a faithful donkey, you will _____ the unspoken. Numbers 22:27-28

Homework: Be a faithful donkey to someone by providing whatever assistance you can to help them see Jesus standing in opposition to something they are preparing to do. Help them redirect their actions.

Snapshot of a Small Group Leader

A Small Group Leader helps to create a life changing small group environment. Some of their responsibilities include:

- Developing and maintaining their own vibrant & growing personal relationship with God.
- Praying for those in their small group.
- Preparing the small group discussion.
- Helping members of their group reach out to those far from God.

A Small Group Leader is faithful, available, teachable and has good people skills. Their spiritual gifts may include a combination of leadership, wisdom, discernment, shepherding and encouragement.
