Memory Verse - Joshua 1:9

The book of Joshua is the story of Israel finally taking possession of the land God had promised to Abraham, Isaac and Jacob. As Israel began conquering the Promised Land, acquiring the blessings promised by God, they encountered many obstacles. These obstacles came in the form of satanic deception and confrontation by the pagan kings of the land. As we study the 7 year process, we will learn many lessons on how to successfully conquer our Promised Land of blessings God has waiting for us.
