The Bible says that many claim unending love toward God, but who can find a faithful man? Fortunately, those who truly serve God according to the power associated with being created in His Image will possess the unmistakable traits associated with the symbol of that Image. Today we will review the characteristics of IMAGE's symbol.

### I. Individual Personality

Luke 22:39-42,  
Mark 8:34-38

Obedient Image bearers are symbols of self denial,  
not self indulgence.

### M. Moral Mirror

Luke 23:32-34,  
Luke 6:43,  
Romans 12:17

True Image bearers symbolize love, not hate  
toward their enemies.

### A. Authority to Rule

Luke 23:38,  
Philippians 2:5-8,  
1 Samuel 2:30

Humble Image bearers become a symbol of God's favor  
and blessing.

### G. God's Friend

Luke 22:19-20,  
Romans 1:17

Trusting Image bearers symbolize a life based on faith  
in the new covenant.

### E. Eternal Spirit

Luke 23:39-43

Victorious Image bearers are a symbol of the hope  
given to them by the cross.

**Homework:** Identify one area of your life that operates contrary to the cross. Decide what you will do this week to conform it to more accurately reflect the message of the cross.
