Answer these questions and discuss in your group this week:

1. Share and explain your current views of worship. What does it mean to you? What are the different ways you can worship? How do you respond to worship emotionally? Is there a sense of urgency for you to worship God consistently?

2. In Isaiah 6:1-8, Isaiah responds to the holiness of God in a few different ways. Discuss what his response is exactly. Do you view the holiness of God in the same way?

3. Read Revelation 9:12-18 together as a group. List all the different characteristics John uses to describe Jesus. What is John's response to seeing Jesus and what is the difference between his response and Isaiah's?

4. After comparing Isaiah and John's responses to the holiness of God in worship, how does this play out in your life? What areas need improvement the most (ie., church, work, relationships, etc.)?
