Jonah 2

Jesus affirms the Jonah story as real and supernatural. *Matthew 12:40-41*

Natural: There is enough air in the stomach of a whale. Digestion does not start until the animal that has been swallowed has died. Whole animals as large or larger than a man have been found in the stomachs of the sperm whale, the whale shark and the white shark.

Supernatural: His life could have been miraculously preserved in the whale. He could have died and risen again (there are eight other resurrections in the Bible).
