### Matthew Master Quiz

Pastor Miles McPherson – May 21-22, 2005

Due to the master quiz that was given during the weekend services, there is no separate quiz for this week. Our weekly quizzes will resume next weekend.

*Note: There was an error on last week's quiz. Question number 6 states:*

6. T/F Christians cannot be possessed by demons.

The answer key said the answer was false. This statement is true. Our apologies for any inconvenience this may have caused.
