### GET STARTED TODAY!

- Download the app
- Share on social networks 3x daily for 7 days
- Help one person a day download the app

Miles a Minute is the daily app that features a 60-second video from pastor Miles that will, in a very personal and entertaining way, offer insights into the Gospel message. It's the kind of experience that will have people excited to see what's next, whether they are Christians or not. If each of us takes the challenge, we can change the world!
