*The NIGHT*

MAY 16 | [SDROCK.COM/THE NIGHT](http://SDROCK.COM/THE NIGHT)

It was the fifth night in a row that Parker had wet his bed. He was six years old and well beyond the bed wetting years. The first night, mom, Jen, and dad, R.J, woke up with Parker, changed his sheets and put him back to bed with a warning that he can't drink so much so late. The days had been hot and Parker, who as a rambunctious 1st grader and already a fan of the big swig, had recently reached even higher levels of water intake. But he needed to cut off the water drinking a little earlier in the evening, they told him, because they didn't want any more accidents.

By the fifth night of having to change sheets, however, Jen's patience was wavering. *Why is he drinking so much doggone water?* she wondered.
