The Mission of the Rock Church is to Save, Equip and Send.

Miles McPherson, a former defensive back with the San Diego Chargers, is the Senior Pastor of Rock Church and founder of DoSomethingChurch.org - a vibrant affiliation dedicated to establishing Pervasive Hope in their communities through proactive community service. Rock Church is one of the largest churches in the US and home to over 140 outreach ministries. Rock Church hosts 15 services every weekend, with a weekly attendance of over 15,000 people at their three locations in San Diego County. In 2012, Rock Church members donated 233,712 hours of community service to the county of San Diego - a \$4 million value. Last year, Rock Church expanded to include a campus in east San Diego county and continues on with God's work to reach every street and every person for Jesus.

UPCOMING EVENTS

ROCK YOUTH // 5.28
Point Loma Campus • 6PM

FOR MORE
UPCOMING EVENTS, VISIT
sdrock.com/events

It all started on Tuesday afternoon when we responded as part of what we call a "strike team" (five engines and a chief), to the Bernardo Fire. We spent the first night mopping up hot spots and patrolling the houses in Santa Luz. Of all the places we were assigned to protect, we ended up in front of my coworker, Danielle Demko's (Rock Church's Director of Training and Development) sister's place. She very graciously opened up her home to us and let us stay there and get some rest. It was quite a gift and we were grateful for God's provision.

After we spent the night in Santa Luz, we were sent to base camp the next day. We were preparing to relocate to the Highway Fire near Pala when the San Marcos fire broke out. We listened anxiously to the requests for assistance on the radio. Then the call came. We were to head directly to the fire.
