The Mission of the Rock Church is to Save, Equip and Send.

Miles McPherson, a former defensive back with the San Diego Chargers, is the Senior Pastor of Rock Church and founder of DoSomethingChurch.org - a vibrant affiliation dedicated to establishing Pervasive Hope in their communities through proactive community service. Rock Church is one of the largest churches in the US and home to over 140 outreach ministries. Rock Church hosts 15 services every weekend, with a weekly attendance of over 15,000 people at their three locations in San Diego County. In 2012, Rock Church members donated 233,712 hours of community service to the county of San Diego - a \$4 million value. Last year, Rock Church expanded to include a campus in east San Diego county and continues on with God's work to reach every street and every person for Jesus.

10 QUESTIONS
YOU MUST ANSWER BEFORE
GETTING MARRIED

By: James Lawrence

I've been married for almost 17 years to a girl I met in high school and who quickly became my best friend. And while I clearly married up (just ask her), it's been an incredible opportunity to understand how to really love and be loved. As a married couple, we've experienced a lot and together we've worked on building a Jesus centered marriage, family, and home.

I often speak with young people who are making huge life decisions and marriage is always at the top of their list. I had no marriage advice before I got married and it would have been helpful. Over time, I've developed 10 important questions for people to answer before they make that lifetime commitment. Oh, and if you're married, now is a great time to plan a date night and ask each other some of these questions...just in case you missed them before you tied the knot. Let's go.
