The Mission of the Rock Church is to Save, Equip and Send.

Miles McPherson, a former defensive back with the San Diego Chargers, is the Senior Pastor of Rock Church and founder of DoSomethingChurch.org - a vibrant affiliation dedicated to establishing Pervasive Hope in their communities through proactive community service. Rock Church is one of the largest churches in the US and home to over 140 outreach ministries. Rock Church hosts 15 services every weekend, with a weekly attendance of over 15,000 people at their three locations in San Diego County. In 2012, Rock Church members donated 233,712 hours of community service to the county of San Diego - a \$4 million value. Last year, Rock Church expanded to include a campus in east San Diego county and continues on with God's work to reach every street and every person for Jesus.

ROCKPILE BOOKSTORE

Over the years, I have encountered countless individuals who have struggled in their biblical identity in Jesus Christ. Perhaps, due to a parent's abandonment, neglect or abuse, people sometimes blur the true nature of God's love and grace through the lens of their earthly parents. When enduring hardships, these individuals can be tempted to blame God or to become hardened to their core as they wrongly ascribe to their heavenly Father an association to the flaws of their upbringing. It is my earnest desire to petition the reader to take the risk of faith to trust the God of the Scriptures and to embrace the truth of our Father's Word over and above the very real emotions and assumptions one may feel during the anguish of the moment. It is an appeal to believe in the certainty of God's love exceedingly beyond the circumstances of one's challenges.
