The Mission of the Rock Church is to Save, Equip and Send.

**Miles McPherson**, a former defensive back with the San Diego Chargers, is the Senior Pastor of Rock Church and founder of DoSomethingChurch.org - a vibrant affiliation dedicated to establishing Pervasive Hope in their communities through proactive community service. Rock Church is one of the largest churches in the US and home to over 140 outreach ministries. Rock Church hosts 15 services every weekend, with a weekly attendance of over 15,000 people at their three locations in San Diego County. In 2012, Rock Church members donated 233,712 hours of community service to the county of San Diego - a \$4 million value. Last year, Rock Church expanded to include a campus in east San Diego county and continues on with God's work to reach every street and every person for Jesus.

One could say Marvin was busy doing his job, but that might be a bit of an overstatement. As a member of the Rock Security Team, he was on the third floor watching the entrance to the corporate offices for his Sunday morning shift, just as he had been assigned. He would rather be doing anything else. It was a far too quiet and lonely job—especially after all that had happened lately.

It left him with too much time to sit and think about all the ways his life was not coming together as he had hoped. And he had made this morning worse by curtly telling his fiancé, Shanea, just before the 8AM service began, that she couldn't have his credit card so they could tithe and keep their commitment to Pastor Miles' 90-day challenge.

For Marvin, it left him alone on the third floor, feeling guilty, sad, disappointed, lonely, and like he had let God and Shanea down. And so he prayed. It was one of those prayers that is accompanied by a slight shake of the head.
