The Mission of the Rock Church is to Save, Equip and Send.

Miles McPherson, a former defensive back with the San Diego Chargers, is the Senior Pastor of Rock Church and founder of DoSomethingChurch.org - a vibrant affiliation dedicated to establishing Pervasive Hope in their communities through proactive community service. Rock Church is one of the largest churches in the US and home to over 140 outreach ministries. Rock Church hosts 15 services every weekend, with a weekly attendance of over 15,000 people at their three locations in San Diego County. In 2012, Rock Church members donated 233,712 hours of community service to the county of San Diego - a \$4 million value. Last year, Rock Church expanded to include a campus in east San Diego county and continues on with God's work to reach every street and every person for Jesus.

Are you married?

Yes, my wife's name is Melinda and we have three kids Ariel, 22, Aaron 20 and Alex 14.

I understand meeting your wife was bad for your career. How does that happen?

Well, for a time. At the company I used to work for, I started dating my wife, who, at the time, worked in HR of the same company. Somehow after 21 years of service I was laid off four months after we were married.

So does that mean they liked her more than they liked you?

That goes with out saying. She's still there.

How did you get the post as Traffic and Community Relations Director for the Rock Church?

I had my own hauling business and it was going fine until the economy tanked. I was volunteering in security for the Rock, and when an opening came up in Traffic Safety, I was recommended for it. It was really that simple. God is good.
