

“Communion Sunday”

Pastor Miles McPherson / October 7, 2018

Encouragement:

Pastor Miles began the sermon with the encouragement. “Today is going to be a great day!” from Dr. Amen’s new book.

Everyone say together. Today is going to be a great day!

Next Pastor Miles went into detail of what it means to prepare for communion. He gave these three points.

1. Remember the past – God’s mighty works.
2. Understanding the future. – Making Disciples.
3. Committing to the cause. – Communion

As you connect in your rGroup today think about the three statements above and what do they mean to you? What do they mean to the group?

Scripture:

Read Luke 22:1-23

1. What was the significance of the Festival of Unleavened Bread (Passover) to the Jews?
2. Why was it significant that Jesus had the Lord’s supper on this day? How does it affect us as believers?

Prayer:

Father we thank you for this day. We thank you for the tremendous sacrifice that you made for us by dying on the cross so that we good have eternal life with You. We thank You that You have given us communion as a remembrance of the sacrifice that you made for us. We love You Jesus and its in your name Lord Jesus that we pray. Amen.

Next Steps:

If you have never done communion before as a group. Take a moment and read through Luke 22:1-23 again. Get some bread and some juice and take communion as a group.
