

# **“DREAM BIG & SHOW UP”**

*Pastor Marcus Preciado / October 14, 2018*

## **Encouragement:**

Pastor Marcus began the sermon with the encouragement of DREAM BIG! He shared a story of his experience in creating a Chargers “jingle” for a radio station with the former San Diego Chargers. He had the vision to go to the Charger game in Indianapolis and the “jingle” won him tickets to go.

Essentially his encouragement was for all of us to think about a vision that God has given us to change the world.

What vision has God given you to change the world? Share in your group.

## **Scripture:**

Read Exodus 2:15 – 3:12

Pastor Marcus reviewed these verses and then described Moses as someone who God used to change the world.

He mentioned three things that Moses had to change the world. These were:

1. Reputation
2. Resources
3. Relationships

In your group describe how you could use your reputation, resources, and relationships to make a difference in the world.

## **Prayer:**

Pray for the fulfillment of the vision that God has given you. Pray for those in your group for blessing as they seek to live out the visions that God has given them.
